### Buying to Let

Purchasing a property that you wish to rent out? We can offer solutions for professional landlords, investors and first time landlords.

We can lend on a broad range of properties including: flats, houses, houses of multiple occupation (HMOs), multi-unit properties, flats above shops, ex-local authority and many more.

### Refinancing a property or a portfolio

Whether the assets are residential, commercial or semi-commercial we have experience at structuring refinances and capital raises for various sized portfolios.

We can help remortgage your properties or portfolio to release capital for further investment in properties, for refurbishment to increase rental yields.
